

I enjoy listening to K-LOVE whenever I am driving in my car. My 14 year old daughter listens to it on her radio in her bedroom -- even when she is asleep. If K-LOVE were displaced, the effect on the community would be great -- I depend a lot on their announcements of upcoming events at area churches and venues such as the SBC Center and the Verizon Amphitheater, etc., in addition to the local and national news. I believe the service K-LOVE provides is very much in the public interest -- we need an awesome Christian station that has great values, a positive and encouraging impact on the communities it serves and family-friendly programming. Please, FCC, keep K-LOVE on the air. Thank you!
